

Code:660213

website: <http://supplies.co.nz/Product/info/660213>

Price: \$64.97 per ROLL (plus GST)

Strong, lightweight and efficient. Poly-prop strapping is available in a range of widths and lengths for hand or machine use. It can be used to secure single items or palletised goods by hand using buckles or seals, or alternatively by semi and fully-automatic machine application using heat sealing. Other grades, colours or even custom printed straps can be made to order.
